

Christina Aguilera, Ugly (Read This, It's Funny)

I am ugly
Like everybody says
Words just get it right!
I am ugly,
In every single way
Yes, words just get it right
So please bring me down today!
You are ugly
Like everybody says
Words just get it right!
You are ugly,
In every single way
Yes, words just get it right
So please bring me down today!
We are ugly
Like everybody says
Words just get it right!
We are ugly,
In every single way
Yes, words just get it right
So please bring me down today!
