

# Christina Aguilera, Virgin Sexy

She wants to be beautiful  
Feeling kinda sexual  
Getting it on  
Hips moving walking down the street  
Lips talkin' sayin' something sweet  
But she doesn't know

Bridge

Strobe lights  
I'm lookin' tight  
In my snake skin boots  
Feelin' lucky tonight  
C'mon hormones raging  
I wanna turn the pageing  
take a look inside  
It's amazin

Chorus

How do i know if i'm ready to take it there  
Just thinkin' about it really scares me like Freddie  
Coz i'm virgin, virgin sexy  
If you want me just text me  
Coz i'm havin' a chemical reaction  
C'mon baby

Or she sees is lust in his eyes  
Like he wants to be the first  
She ain't ready for the surprise  
He just wants to get the job done  
Heading straight for the dangerzone  
Daddy want to keep her ass home  
Wants to explore the unknown  
Roaming like a little cell phone
