

# Christina Aguilera, Walk Away

What do you do when you know something's bad for you  
And you still can't let go?  
I was naive  
Your love was like candy  
Artificially sweet  
I was deceived by the wrapping  
Got caught in your web  
And I learned how to plead  
I was prey in your bed  
And devoured completely  
And it hurts my soul  
Cos I can't let go  
All these walls are caving in  
I can't stop my suffering  
I hate to show that I've lost control  
Cos I, I keep going right back  
To the one thing that I need to walk away from  
I need to get away from it  
I need to walk away from it  
Get away, walk away, walk away  
I should have known  
I was used for amusement  
Couldn't see through the smog  
It was all an illusion  
Now I've been licking my wounds (licking my wounds)  
Woke up in love and seems so great (deeper, deeper)  
We both can't subdue  
Darling you hold me prisoner (prisoner)  
I'm about to break  
I can't stop this ache  
I'm addicted to your lure  
and I'm feeling for a cure  
Every step I take  
Leads to one mistake  
I keep going right back  
To the one thing that I need...  
I can make it  
It's some state I'm in  
Getting nothing everytime  
What did I do to deserve  
The pain of this moment  
And everywhere I turn  
I keep going right back  
To the one thing that I need to walk away from  
I need to get away from it  
I need to walk away from it  
Get away, walk away, walk away  
Everytime I try to grasp for air  
I get smothered and this sky, it's never over, over  
Seems I never wake from this nightmare  
I let out a solid breath, let it be over, over  
Inside I'm screaming  
Breaking, pleading the world  
Ahh...  
My heart has been bruised  
So sad but it's true  
Each peep reminds me of you  
It hurts my soul  
Cos I can't let go  
All these walls are caving in  
I can't stop my suffering  
I hate to show that I've lost control  
Cos I, I keep going right back  
To the one thing that I need...

I'm about to break  
I guess I missed it  
I'm addicted to your lure  
And I'm feeling for a cure  
Every step I take  
Leads to one mistake  
I keep going right back  
To the one thing that I need...  
I can make it  
It's some state I'm in  
Getting nothing everytime  
What did I do to deserve  
The pain of this moment  
And everywhere I turn  
I keep going right back  
To the one thing that I need to walk away from  
I say...  
I need to get away from it  
I need to walk away from it  
Get away, walk away, walk away  
Only thing I need to do is walk away  
I need to get away from it  
I need to walk away from it  
Get away, walk away, walk away  
I need to get away from it  
I need to walk away from it  
Get away, walk away, walk away  
I need to get away from it  
I need to walk away from it  
Get away, walk away, walk away
