

Christina Aguilera, What I'm Looking For

You broke my heart
That's for sure
But you don't even know why.
Don't know what to do
Now I'm not with you
But I guess I'll have to try.
You're everything I'm looking for
You're a dream that came true.
Don't know why but now I love you more
Must be the reason I feel blue.
So this is why, I'm looking for a guy like you.
I'm looking for a guy who will always be there.
Not just any guy
But a guy who could also be my best friend.
I'm looking for an answer
Why did you play with my mind?
But I know for sure, better than you I'll never find.
No no, I won't find anyone better than you boy.
That's for sure.
I really thought
That you and me
Were more than just friends.
Then I saw you there
With that other girl
So my dream had come to an end.
You're everything a girl would want
But you're a mystery to me.
I'm just so happy that it's you I've found
You and me, it's meant to be.
So this is why, baby you're so perfect for me.
I'm looking for a guy who will always be there.
Not just any guy
But a guy who could also be my best friend.
I'm looking for an answer
Why did you play with my mind?
But I know for sure, better than you I'll never find.
No no, I won't find anyone better than you boy.
That's for sure.
I'm looking for a guy who will always be there.
Not just any guy
But a guy who could also be my best friend.
I'm looking for an answer
Why did you play with my mind?
But I know for sure, better than you I'll never find.
I'll make you see
That it's meant to be.
There ain't no mountain too high
Ain't no ocean too deep.
To make you see
That you're so perfect for me.
I'm looking for a guy who will always be there.
Not just any guy
But a guy who could also be my best friend.
I'm looking for an answer
Why did you play with my mind?
But I know for sure, better than you I'll never find.
No no, I won't find anyone better than you boy.
That's for sure.
I'm looking for a guy who will always be there.
Not just any guy
But a guy who could also be my best friend.
I'm looking for an answer
Why did you play with my mind?
But I know for sure, better than you I'll never find.

I know for sure, better than you I'll never find.
Now I've figured it out
Now I know for sure
You're that guy I'm looking for.
