

Christina Grimmie, Feelin' Good

Before last night I was down on my luck.
There was nothing going my way.
Before last night I wasn't feeling the love.
No reason for a smile on my face.

But I was always told,
You could turn it around,
Do it for the light of day.
So get your self together,
Head out on the town,
The music gets you feeling okay.

Now I'm on a roll and
I'm losing control 'cause
I got that sunshine,
It's like the world is mine.
I can't deny I'm feelin' good (feelin' good)
Can't stop from smiling,
I'm bottled lightning
But deep inside I'm feeling good (feelin' good)

All my heartbreak,
my long and rainy days,
are gone and now I can't complain.
Everything's alright,
I'm feeling so alive.
I can't deny I'm feelin' good, yeah.

I was so low on Friday alone,
No one even calling my phone.
I looked in the mirror,
And I said to myself,
Why am I still seating at home?

Now I'm on a roll and
I'm losing control 'cause
I got that sunshine,
It's like the world is mine.
I can't deny I'm feelin' good (feelin' good)
Can't stop from smiling,
I'm bottled lightning
But deep inside I'm feeling good (feelin' good)

All my heartbreak,
my long and rainy days,
are gone and now I can't complain.
Everything's alright,
I'm feeling so alive.
I can't deny I'm feelin' good, yeah.

I got that sunshine,
world is mine.
I'm feelin' good.
I feel it deep inside,
I can't deny I'm feelin' good
Everything's alright, so alive.
I'm feelin' good, I'm feelin' good
I'm feelin' good, hey, yeah!

I got that sunshine,
It's like the world is mine.
I can't deny I'm feelin' good (feelin' good)
Can't deny I'm feelin' good
Can't stop from smiling,

I'm bottled lightning
But deep inside I'm feeling good (feelin' good)
Hey, hey hey!

All my heartbreak,
my long and rainy days,
are gone and now I can't complain.
(Oh and now I can't complain)
Everything's alright,
I'm feeling so alive.
I can't deny oh!

I got that sunshine,
It's like the world is mine.
I can't deny I'm feelin' good (feelin' good)
Can't deny I'm feelin' good
Can't stop from smiling,
I'm bottled lightning
But deep inside I'm feeling good (feelin' good)
Yeah, yeah hey yeah

All my heartbreak,
my long and rainy days,
are gone and now I can't complain.
Everything's alright,
I'm feeling so alive.
I can't deny I'm feelin' good. Yeah!
