I'm solid
Not apparition
Better check your vision See what you're missing, boy
I don't need your permission
To go on existing with or without you, boy
I ain't gonna let it go
Coz this been going on too long

I won't be another ghost
No, I won't be invisible
See me everything you go
No, I won't be invisible

Invisible /2x

I had my suspicious
You kept me at a distance
I ain;t disappearing, boy
I though you're worth it
Pulling back the curtain
I see why I was hurting boy
I ain't gonna let it go
Now you see me with the lights on

I won't be another ghost
No, I won't be invisible
See me everything you go
