

# Christina Milian, Believer

Life Is What You Make It  
At least that's what they say  
Well I think im gonna make it  
Fulfill my dreams one day  
I feel this fire growing deep inside of me  
Im so inspired knowing that its my destiny

I breathe like a champion  
I dream im a champion  
I see im a champion  
Its meant to be  
My wills getting stronger  
I cant wait any longer  
Im singing a song that's inside of me  
Cuz im a believer  
I know that I can make it  
No matter what they say  
So im a believer  
The Future is Now  
It starts today

I keep my head up

Everyday im waiting  
Trying to find the patients  
So close I can taste it..But sometimes its so hard  
But I'm gonna keep on pushing  
And I'm gonna keep on fighting  
And I'm gonna keep on trying because I come to far

I breathe like a champion  
I dream im a champion  
I see im a champion  
Its meant to be  
My wills getting stronger  
I cant wait any longer  
I'm singing a song that's inside of me  
Cuz im a believer  
I know that I can make it  
No matter what they say  
So im a believer  
The Future is Now  
It starts today

The Future is now ..It Starts Today
