

# Christina Milian, Dip It Low (Full Phat "Fabolous")

Christina Milian

Fabulous

F A B

Poli Paul, Spencow, baby

He says he wants you, he says he need you

It's real talk, then why not make him wait for you

(If he really wants you, if he really needs you, really got to have you)

Take your time and feel him out

When he's a good boy, I mean a really really good boy

Why not let him lay with you, that's when you give it to him good

Dip it low, pick it up slow

Roll it all around, poke it out like your back broke

Pop ta, pop ta, pop that thing

I'ma show you how to make your man say Oh!

Dip it low, pick it up slow

Roll it all around, poke it out like your back broke

Pop ta, pop ta, pop that thing

I'ma show you how to make your man say Oh!

You getting' bold, it's growin' cold

It's just the symptoms of a young love growin' old

(You think it's time and you thinkin' of leavin' but give it time)

It's late at night, he's comin' home

Meet him at the door with nothin' on

Take him by the hand, let him know it's on

If you understand me, y'all, come on

All my ladies, wind it up if you know just how to move

(Move)

All my fellas, jump behind and show her what you wanna do

(Show her what you got dirty)

All my ladies wind it up if you know just how to move

(If you know how to move it on)

All my fellas jump behind and show her what you wanna do

(Ooh ooh)

Dip it low, pick it up slow

Roll it all around, poke it out like your back broke

Pop ta, pop ta, pop that thing

I'ma show you how to make your man say Oh!

Dip it low, pick it up slow

Roll it all around, poke it out like your back broke

Pop ta, pop ta, pop that thing

I'ma show you how to make your man say Oh!

Baby girl, the way you pop, pop, pop that thing

I might stop to shop and cop you things

You know I drop the top and hop that thing

Sometimes I stop my bop to pop my things

You sure know how to make a man say Oh!

And how in the world can a man say, No!

When you grind it up on the wall, wind it up like a doll

And you know I, Bacardi, lime it up
