Poli Paul

Spencow, baby

Says, he wants you, he says, he needs you

That's real talk, then why not make him wait for you?

If he really wants you, if he really needs you

Really got to have you

Take your time and feel him out

When he's a good boy, I mean a really, really good boy

Why not let him lay with you?

That's when you give it to him good

Dip it low, pick it up slow

Roll it all around, poke it out, let your back go

Pop, pop, pop that thang

I'ma show you how to make your man say, "Ohh"

Dip it low, pick it up slow

Roll it all around, poke it out, let your back go

Pop, pop, pop that thang

I'ma show you how to make your man say, "Ohh"

You gettin' bold, it's growin' cold

It's just the symptoms of a young love growin' old

You think it's time and you thinkin' of leavin'

But give it time

It's late at night, he's comin' home

Meet him at the door with nothin' on

Take him by the hand, let him know it's on

If you understand me, y'all come on

All my ladies wind it up if you know just how to move

All my fellas jump behind and show her what you wanna do

All my ladies wind it up if you know just how to move

All my fellas jump behind and show her what you wanna do

Dip it low, pick it up slow

Roll it all around, poke it out, let your back go

Pop, pop, pop that thang

I'ma show you how to make your man say, "Ohh"

Dip it low, pick it up slow

Roll it all around, poke it out, let your back go

Pop, pop, pop that thang

I'ma show you how to make your man say, "Ohh"

Baby girl, the way you pop, pop, pop that thang

I might stop to shop and cop you thangs

You know I drop the top and hop that thang

Sometimes I stop my bop to pop my thangs

You sure know how to make a man say, Ohh

And how in the world can a man say, No?

The way you grind it up on the wall, wind it up like a doll

And you know I Bacardi Lime it up
