Get Away

(feat. Ja Rule)

[J] Baby, I give you me, myself and I.

And if you could get near me, there'll be no more pain love.

[C] Well come on boy and love me, love me, love me.

The more things change, I know, I know men play games.

All I wanna know, are you the same?

[J] Take a chance girl and love me, love me, love me.

[Chorus 2 times]

[Ja Rule 2 times]

Can you get away, get out tonight.

Meet me up at the club mama.

Can you get away, get out tonight.

Cuz I'm free baby.

[Christina & Ja Rule]

[J] I'm not ya man so I'm feelin like a one-night stand

I'd be convenient for the both. I know you feel me.

[C] Well come on let's do this.

No thought to it; let's give our love a chance.

[J] Cuz when ya lovin me, kiss, hug, love with me.

I'm trying to get it where you can't get enough of me.

Baby girl, I just wanna be free.

[C] Well come on boy and love me, love me, love me.

[Chorus 2 times]

[Ja Rule 2 times]

Can you get away, get out tonight.

Meet me up at the club mama.

Can you get away, get out tonight.

Cuz I'm free baby.

[Talking]

There it is.
