

Christina Milian, My Lovin' Goes

I'm writin' you a letter to tell you
How I'm feelin' inside, to let you know that I like you
And when you read it know I'm excited
Waitin' for you to call me, boy come over don't stall me
My love it goes o-o-o-o-o-o-o-on
My lovin' it goes o-o-o-o-o-o-o-on
My love it goes o-o-o-o-o-o-o-on
My lovin' it goes o-o-o-o-o-o-o-on
My love it goes
Late nights eye to eye till the sunrise
It's like I'm fallin' for you
Hearts beat four seasons, there'll be no sleepin'
Don't wanna be without you
'Cuz I can't wait here all alone
Anticipate you boy, you got me waitin' boy
So open up I'm at ya door, hear me knockin'
Let me in
'Till then I'll be writin' you this letter prayin' when you'll get it
You'll read it and dream about me
It ain't gon' be right 'till we're together
This life can't get no betta 'till you layin' up under me
I'm writin' you a letter to tell you
How I'm feelin' inside, to let you know that I like you
And when you read it know I'm excited
Waitin' for you to call me, boy come over don't stall me
My love it goes o-o-o-o-o-o-o-on
My lovin' it goes o-o-o-o-o-o-o-on
My love it goes o-o-o-o-o-o-o-on
My lovin' it goes o-o-o-o-o-o-o-on
My love it goes
This feelin' so new been searchin' for you
I wonder how you lived your life without me
'Cuz somethin' tells me you're all that I need
I wanna give you my everything
I'll let you think about this in the meantime
I'll make your life better in between time
I'm knowing that we're meant to be together
Boy, just tell me I will do whatever
'Till then I'll be writin' you this letter, prayin' when you'll get it
You'll read it and you dream about me
It ain't gon' be right 'till we're together
This life can't get no betta 'till you layin' up under me
I'm writin' you a letter to tell you how I'm feelin' inside
To let you know that I like you
And when you read it know I'm excited
Waitin' for you to call me, boy come over don't stall me
My love it goes o-o-o-o-o-o-o-on
My lovin' it goes o-o-o-o-o-o-o-on
My love it goes o-o-o-o-o-o-o-on
My lovin' it goes o-o-o-o-o-o-o-on
O-o-o-o-o-o-o-on
O-o-o-o-o-o-o-on
O-o-o-o-o-o-o-on
O-o-o-o-o-o-o-on
