Miscellaneous

i'm sorry

verse 1

boy we've been so cool for so long now

tell me why would you

just up and throw that away

your making a mistake

thinking that we would be lovers

but i don't look at you that way

i'm sorry

Hook

i gotta go away

cause i didn't mean to lead you on

you say i broke your heart

but i didn't mean to lead you on

and it's hard to hear the truth

and i'm feelin bad cause you love me

i'm sorry

verse 2

you've got a wife and a family

and if i was you

i wouldn't throw that away

i'm not the type a girl to

break up a happy home

i really thought we could be friends

but it seems that

i gotta go

repeat hook twice

what did do

tell me what did i do

i didn't try to didn't wanna hurt you

repeat

repeat hook 1
