When You Look At Me

chorus:

Tell me what do you think you see

standin in your corner lookin out on me you think im so predictable tell me what do you think I am lo

your probably thinkin that I want those things Cash, Cars, Diamond rings lookin on my side the gra

I could be a woman in disguise i can be ab Angel in your eyes never judge a book by its cover.

I can be your cook or your lover I could be the one or the other if you look beneth youll discover yo

Chorus

do do do do do do do

You look at your neighbour and you wanna buy cos hes got a 95 I though that you dont realise he c

I could be your cook or your lover I could be the one or the other if you at me and discover you just

chorusx2

do do do do do do do

(talking)

Yo tell me who do think I am huh you dont even know me but did you think about this.

I could be your cook or your lover i could be the one or the other when you at me you discover you
