Sunshine On Rainy Day

Christine Anu - Sunshine On Rainy Day Makes my soul

Trip, trip , trip away

You touch me with your spirit

You touch me with your heart

You touch me in the darkness

I feel it start

Make me feel, make me feel

So unreal (so unreal)

Like a wind in the desert

Like a moon on the sea (yeah)

Sunshine on a rainy day

Makes my soul

Makes my soul

Trip, trip, trip away

(repeat x 3)

Sunshine, sunshine, sunshine,

sunshine, sunshine
