

Christine Guldbrandsen, Surfing In The Air

Aaaaaah

We're walking in the air
We're floating in the midnight sky
People far below
Are sleeping as we fly above

I am holding very tight
I'm riding the midnight blue
Finding I can fly
So high above with you

My love
My love
My love
So high
My love
My love
My love

We're surfing in the air
We're swimming in the frozen sky
Finding I can fly
So high above with you

My love
My love
My love
So high
My love
My love
My love

On across the world
The rivers and the hills
We're walking in the air

My love
My love
My love
So high
My love
My love
My love
