

# Christine Guldbrandsen, The Far End

'Cause you and I  
We travel to the far end of the sky  
All that I'd do  
Only for you  
Only for you

Lying on my pillow  
Lost in time  
Dreams reveal my mind  
There below my window  
Words of love were  
Softly spoken

Say we are pretending  
Way too young  
But I will wait for you  
Pray it's not the ending  
We're far from done  
Although my heart may be broken

'Cause you and I  
We travel to the far end of the sky  
All that I'd do  
Only for you  
Only for you

Longing for the morning song to come  
Then I will run to you  
When the night is over  
Dawn will come  
Although my heart may be broken

'Cause you and I  
We travel to the far end of the sky  
All that I'd do  
Only for you  
Only for you

Don't dare to treat our love our love  
Like it's simply merchandise  
Think you can buy a new one  
When you feel that it's all gone  
One thing I know for sure  
You don't need age to be wise  
So I'll be holding on

'Cause you and I  
We travel to the far end of the sky  
All that I'd do  
Only for you  
Only for you
