Ask Anybody

Written by christine mcvie and steve winwood.

He's a devil and an angel
Ooh the combination's driving me wild
Drives me wild
He's a saint and he's a sinner
Ooh somehow he acts just like a beginner
I guess he's still a child

Chorus:

Ask anybody

Ask anybody

They'll say i'm going wrong

They say that i should walk out

But that's not what i want

Ask anybody

And they'll all say the same

But that's all right
'cause i know somehow
We can make it right
And i'm putting up a fight
Somehow, somewhere
He'll change
And we'll try it all over again
Without all the pain

Chorus
