Ask Anybody

Written by christine mcvie and steve winwood.

He's a devil and an angel  
Ooh the combination's driving me wild  
Drives me wild  
He's a saint and he's a sinner  
Ooh somehow he acts just like a beginner  
I guess he's still a child

Chorus:

Ask anybody

Ask anybody

They'll say i'm going wrong

They say that i should walk out

But that's not what i want

Ask anybody

And they'll all say the same

But that's all right  
'cause i know somehow  
We can make it right  
And i'm putting up a fight  
Somehow, somewhere  
He'll change  
And we'll try it all over again  
Without all the pain

Chorus
