

Christine McVie, Got A Hold On Me

Written by Christine McVie and Todd Sharp.

You're liftin' me up
Never let me down
And I smile
Whenever you're around
Ooh and I've got a feeling
It'll work out right
Can't stop thinking about you
Every day and night

Chorus:

Ooh I've got a love (I got somebody)
This love (got a hold on me)
Yeah I've got a love (I got somebody)
This love (got a hold on me)

Well, I've been in love
And I've lost
I can count the tears
But I can't count the cost
Oh, I've been down
I've been used
Now I know, I know, I know
That I just can't lose

Chorus
