## Christine McVie, When You Say

Written by Danny Kirwan.

When you say That you know Of all the good times to come

When you say That there'll alway be You and me

When I say That I know Of all the good time to come

When you say That there'll always be You and me

La la

La la la la la la La la la la la la

When you say That you know Of all the good times to come

When you say That there'll alway be You and me

When I say
That I know
Of all the good time to come

When you say That there'll always be You and me

La La La, La La La...
