And it feels so good
Mic check: one, two
My sound is alright?

I can't remember when

Another mother* rapper
Air on MTV
Like B-O-B
I witness the whole thing
Coz I wait for my chance to jump into the game
Like virtual reality
I want accept reality

..
I can jump above the galaxy
And if the..
I still goin' kicking like FIFA
I'm the ... ripper
I come here to take over the game
Coz .. told me that the flow is insane
