

# Christopher Cross, Is There Something

Lately I see clouds of sorrow in your eyes  
Some deep sadness you can never quite disguise  
Now I'm scared to ask what it's leading to  
But I'm more afraid of not asking you

Is there something that you want to tell me  
Is there something that I ought to know  
Are we something that's still worth fighting for  
Or should I simply let you go  
Is there something I can do to reach you  
Are we something more than history  
I'll find some way to convince you to stay  
If you just tell me honestly  
Is there something left of you and me

You've got secrets you've been keeping for too long  
And I'm going crazy acting like there's nothing wrong  
I can taste the truth every time we kiss  
And I can't go on  
At least not like this

I don't want to lose you  
But what's the use of holding on  
I don't really have you  
If the feeling's gone

Is there something I can do to reach you  
Are we something more than history  
If there's no way to convince you to stay  
And be the way we used to be  
Then there's something that I want to tell you  
And I want you to believe it's true  
We had something that I'll never forget  
Even if I wanted to  
'Cause part of me will always be with you
