

Christopher Cross, Lost Between The Moon And

Once in your life you'll find him
Someone who turns your heart around
And next thing you know you're closing down the town
Wake up and he's still with you
Even though you left him away cross town
You're wondering to yourself, "hey what have I found"

When you get caught between the moon and New York city
I know it's crazy
But it's true
If you get caught between the moon and New York city
The best that you can do
The best that you can do is fall in love

Arthur he does, what he pleases
Followed his life, his masters toys
And deep in his heart, he's just, he's just a boy
Living his life one day at a time
He's showing himself a real good time
He's laughing about the way they wanting to be

When you get caught between the moon and New York city
I know it's crazy
But it's true
If you get caught between the moon and New York city
The best that you can do
The best that you can do is fall in love

When you get caught between the moon and New York city
I know it's crazy
But it's true
If you get caught between the moon and New York city
The Best that you can do
The Best that you can do

When you get caught between the moon and New York city
I know it's crazy
But it's true
If you get caught between the moon and New York city
The best that you can do
The best that you can do
The best that you can do is fall in love

Fall in love
