

# Christopher Cross, Love Is Love (In Any Language)

Checkin' out the sand streets  
Of this island town  
I got my cold Dos Equip  
Watchin' women brown  
They call it Paradiso  
It looks like paradise  
And it's looking better all the time  
Now I'm dancin' in the moonlight  
The party's everywhere  
It's all a sweet seduction  
To the rhythm in the air  
Local girls are talkin'  
I hear their bodies say  
This boy won't be leavin' lonely  
It's je t'aime, it's amore te quiero, mi chica  
If it's good you'll get the message  
It's je t'aime, it's amore eu te amo  
Love is love in any language  
She caught my intention  
When I caught her eye  
We just started movin'  
Never askin' why  
Faded into passion  
That girl and I  
Love is love in any language  
It's je t'aime, it's amore te quiero, mi chica  
If it's good you'll get the message  
It's je t'aime, it's amore eu te amo  
Love is love in any language  
Love is love  
Love is love  
Love is love  
Let your heart talk  
To the girl  
Love can take you  
'Round the world  
It's je t'aime, it's amore te quiero, mi chica  
If it's good you'll get the message  
It's je t'aime, it's amore eu te amo
