

Christopher Cross, Minstrel Gigolo (Live)

You're the minstrel gigolo, don't you know?
You sing your songs of love so soft and low
And they want you more and more
All the young and lonely girls wait for you
There by the backstage door
And they're hopin' to be the one
And when you start to sing
You will be their everything
And when you start to sing
Every woman will open up her heart and let you in
You're the minstrel gigolo, don't you know?
You sing your songs of love so soft and low
And they want you more and more
All the young and lonely girls wait for you
There by the backstage door
And they're hopin' to be the one, be the one
And when you start to sing
You will be their everything
And when you start to sing
Every woman will open up her heart and let you in
And when you start to sing
You will be their everything
And when you start to sing
Every woman will open up her heart and let you in
And when you start to sing
You will be their everything
Yeah and when you start to sing
Every woman will open up her heart
Every woman will open up her heart
Every woman will open up her heart
And let you in, let you in
Let you in, yeah
