

# Christopher Cross, Never Stop Believing

Every night in my window  
I see pictures of  
The day we met  
I keep wishing on the falling stars  
To forget you but  
It hasn't happened yet  
And I still remember when you walked away  
It was more than my heart could believe  
Careless wind blew the smell of your perfume away  
But the touch of you, it never leaves  
So I'll never stop believing  
Someday your love is coming back to me  
No, I'll never stop believing  
Someday that you'll be coming back to me  
Everybody in my life  
They say forget that girl  
She's gone for good  
How can I explain this heart  
It just keeps hanging on  
'Cause something says it should  
Oh, I go on remembering how good we were  
The sweetest days I'll ever know  
This careless boy, somehow he let you get away  
But the touch of you, he'll never let it go  
So I'll never stop believing  
Someday your love is coming back to me  
No, I'll never stop believing  
Someday that you'll be coming back to me

So I'll never stop believing  
Someday your love is coming back to me  
Time and time again I see  
Just how much she meant to me  
Oh, a love like that is meant to be  
She's got to come back, she's got to come back  
And I still remember when you walked away  
It was more than my heart could believe  
Careless wind blew the smell of your perfume away  
But the touch of you, it never leaves  
And I go on remembering how good we were  
The sweetest days I'll ever know  
This careless boy, somehow he let you get away  
But the touch of you, he'll never let it go  
So I'll never stop believing  
Someday your love is coming back to me  
No, I'll never stop believing  
Someday that you'll be coming back to me  
So I'll never stop believing  
Someday your love is coming back to me  
No, I'll never stop believing  
Someday that you'll be coming back to me  
So I'll never stop believing  
Someday your love is coming back to me  
No, I'll never stop believing  
Someday that you'll be coming back to me
