

Christopher Cross, Open Your Heart

It's a lonely ride on Noah's ark
Takin' a shot into the dark
Hopin' that someone will see the spark
Of the light in you
Noah's ark to the ship of fools
Didn't we break all the golden rules
Caught in the dance of the hours
Open your heart 'til everyone's in
It's never too late to believe and begin
Open your heart 'til everyone's in
You can wish on the light of a star 'til the end
Everyone's out on the open sea
We're all a part of the mystery
You know how lonely it can be
Surviving
You say you're gonna settle down
Just play guitar and walk around
'Til you turn into the sound
Of laughter
Open your heart 'til everyone's in
It's never too late to believe and begin
(Open your heart)
Open your heart 'til everyone's in
You can wish on the light of a star 'til the end
Some do believe we came out of the sky
And at the end we will fly
Open your heart 'til everyone's in
It's never too late to believe and begin
(Open your heart)
Open your heart 'til everyone's in
You can wish on the light of a star 'til the end
Open your heart 'til everyone's in
It's never too late to believe and begin
(Believe and begin, open your heart)
Open your heart 'til everyone's in
You can wish on the light of a star 'til the end
(Open your heart)
Open your heart 'til everyone's in
It's never too late to believe and begin
(Open your heart)
Open your heart 'til everyone's in
You can wish on the light of a star 'til the end
