Christopher Cross, Open Your Heart

It's a lonely ride on Noah's ark Takin' a shot into the dark Hopin' that someone will see the spark Of the light in you Noah's ark to the ship of fools Didn't we break all the golden rules Caught in the dance of the hours Open your heart 'til everyone's in It's never too late to believe and begin Open your heart 'til everyone's in You can wish on the light of a star 'til the end Everyone's out on the open sea We're all a part of the mystery You know how lonely it can be Surviving You say you're gonna settle down Just play guitar and walk around 'Til you turn into the sound Of laughter Open your heart 'til everyone's in It's never too late to believe and begin (Open your heart) Open your heart 'til everyone's in You can wish on the light of a star 'til the end Some do believe we came out of the sky And at the end we will fly

Open your heart 'til everyone's in

It's never too late to believe and begin

(Open your heart)

Open your heart 'til everyone's in

You can wish on the light of a star 'til the end

Open your heart 'til everyone's in

It's never too late to believe and begin

(Believe and begin, open your heart)

Open your heart 'til everyone's in

You can wish on the light of a star 'til the end

(Open your heart)

Open your heart 'til everyone's in

It's never too late to believe and begin

(Open your heart)

Open your heart 'til everyone's in

You can wish on the light of a star 'til the end
