

Christopher Walla, Shattered Dreams

So much for your promises
They died the day you let me go
Caught up in a web of lies
But it was just too late to know
I thought it was you
Who would stand by my side
And now you've given me, given me
Nothing but your shattered dreams, shattered dreams
Feel like I could run away, run away
From this empty heart
You said you'd die for me
Woke up to reality
And found the future not so bright
I dreamt the impossible
That maybe, things could work out right
I thought it was you
Who would do me no wrong
And now you've given me, given me
Nothing but your shattered dreams, shattered dreams
Feel like I could run away, run away
From this empty heart

Now you've given me, given me
Nothing but your shattered dreams, shattered dreams
Feel like I could run away, run away
From this empty heart
From this empty heart
I thought it was you
Who said you'd die for love
And now you've given me, given me
Nothing but your shattered dreams, shattered dreams
Feel like I could run away, run away
From this empty heart
Now you've given me, given me
Nothing but your shattered dreams, shattered dreams
Feel like I could run away, run away
From this empty heart
So much for your promises
So much for your promises
