Christopher Williams, Down On My Knees

Sometimes you wonder how much I care I get so distracted running nowhere And I take it for granted our love is secure If I started losing you, one thing is sure I'd be down on my knees, ready to pray, darlin' Down on my knees, making you stay I'd be begging you please, don't take your love from me I'd be down on my knees I learned to be strong a long time ago And I can face any wind no matter how hard it blows But I'd have to be stronger than I want to be If I had to live without you loving me I'd be down on my knees, ready to pray, darlin' Down on my knees, making you stay I'd be begging you please, don't take your love from me I'd be down on my knees No one matters more in my life Or makes me feel like you make me feel inside And I've come far enough to know, love's worth never letting go of And love is not a matter of pride, yes I'd be begging you please, don't take your love from me I'd be down on my knees Ready to pray, darlin' Down on my knees, making you stay I'd be begging, pleading, don't take your love Don't take your love from me, no I'd be down on my knees See I'd be begging, I'd be pleading I'd even cry for you, I'd cry for you, yeah [Incomprehensible] You know that I'd get down on my knees You know that I'd beg and I'd plead and I'd cry, I'd die Down on my knees
