

# Christy Carlson Romano, Anyone But Me

Verse One:

We never seem to get along  
You always right, I'm never wrong  
Wish that you could see the way I see it  
I say left  
You say right  
You say day  
And I say night  
You may have your dream but I can't be it  
So, don't try to change me  
'Cause I'm not you

Chorus:

I walked a mile, in your shoes  
Learn the life, I was amused.  
But I can't be, anyone but me  
I can change, what I wear  
Change the color of my hair  
But I can't be anyone but me

Second Verse:

If you could try to understand  
You'd see who I really am  
I just wanna make my own decisions  
You try to make me, someone else  
But I gotta be myself  
Don't wanna have to ask for your permission  
So, don't try to change me  
'Cause I'm not you

Chorus 1 x's.

Bridge:

Now that we found a way to start  
To be just who we are  
It doesn't have to be so hard  
Now that we've come so far  
I'm part of you  
Your part of me  
Together we will see  
All the missing pieces in this wild crazy mystery

Chorus 1 x's.
