

Christy Carlson Romano, Changed

Remember her the little girl who built her world around you baby
Well I'm not that wide eyed anymore
Now I know if I let you go I can hold my own I don't need you to save me
Your not the reason I was born
I know who I am
Even if you don't understand
You'll never put guilt on me gonna stop me
I'm

Changed
I'm not your doormat not your scaredie cat
Changed
And I wont go back no I wont go back
Its changed
To be out of love but I can live without that drug
Right now I'm high enough I'm, I'm
Changed

You wanna stay and yesterday saying were ok and there's nothing missing
Your still on ego saving time
Well if it helps go sooth yourself and maybe you can tell anyone who'll listen
That I completely lost my mind
And maybe its true
I'm turning into someone new
I don't care what you say I like me better this way I'm
Changed

Changed
I'm not your doormat not your scaredie cat
Changed

And I wont go back no I wont go back
Its changed
To be out of love but I can live without that drug
Right now I'm high enough I'm, I'm

Trading in my sweet naive today
And all of my rose thrown away
To the heart true
And the cold light of day
Day

Changed
I'm not your doormat not your scaredie cat
Changed
And I wont go back no I wont go back
Its changed
To be out of love but I can live without that drug
Right now I'm high enough I'm, I'm
Changed
I'm not your doormat not your scaredie cat
Changed
And I wont go back no I wont go back
Its changed
To be out of love but I can live without that drug
Right now I'm high enough
I'm high enough
I'm, I'm
