

# Christy Carlson Romano, Circle Of Life

OOOh yeah.

OOOO yeah.

From the day we arrive on the planet  
And blinking step into the sun  
There's more to be seen than could ever be seen  
More to do than could ever be done (Yeah)

Some say eat or be eaten  
Some say live and let live (yeah)  
But all are agreed as they join the stampede  
You should never take more than you give

(Chorus)  
In the circle of life  
It's the wheel of fortune

It's a leap of faith  
It's the band of hope (hope)  
'Til we find our place on the path unwinding (yeah)  
In the circle, the circle of life

Some of us fall by the wayside  
And some of us soar to the stars  
And some of us sail through our troubles (some of us sail)  
And some have to live with our scars (ohwah yeah yeah)

There's far too much to take in here  
More to find than could ever be found  
But the sun rolling high through the sapphire sky  
Keeps great and small on the endless round

(Chorus 2x)
