

Christy Carlson Romano, Teacher's Pet (From The

Teacher's pet
I wanna be teacher's pride
I wanna be graded the greatest
The one most likely at your side
I wanna learn all that you can teach me
One class will do at the start
I'm sure with a little homework
I'll graduate to your heart
(To your heart)

Chorus:

Teacher's pet
I wanna be teacher's pet
I wanna take home a diploma
And show 'em that you love me too
Teacher's pet long after school is through
(I wanna be, I gotta be) (2x)

I wanna learn all that you can teach me
One class will do at the start,
I'm sure with a little homework,
I'll graduate to your heart
(To your heart)

I wanna be
I gotta be...
I wanna be
I gotta be...
I wanna be
I gotta be...

Teacher's pet (Teachers)
Teacher's pet (Teachers)
Teacher's pet (Teahcers)
Teacher's pet (Teachers)

(Repeat Chorus)
