

Christy Lauren, Boomerang Bang

I'll shake it baby

I'll break it baby

I'll stoke it baby

I'll choke it baby

I'll slam it baby

Wham bam it baby

God damn it, but I won't be your boomerang bang

Chorus:

Boomerang bang

Your boomerang bang

I've got my hands and my face and my knees on the floor

This is reality baby

And nothing more

I'll grab it baby

I'll stab it baby

I'll pump it baby

I'll dump it baby

I'll stone it baby

Handbone it baby

Lease, rent, and own it

But I won't be your boomerang baby

(Repeat chorus)
