

# Chrome Division, Bad Broad (Good Girl Gone Ba

I opened up and gave you everything  
It didn't mean much to you  
You were never satisfied  
I never knew what to do  
Every feeling you ever gave me  
Was just a fake  
The only thing that you ever wanted  
Was to see me break  
Oh how you love to watch me crawl  
Smile smile with the Devil  
Shame shame on you  
You ripped it out and ate it all  
Smile smile with the Devil  
You were never true  
It never really bothered you  
That you left me in pain  
You kept on living hih and mighty  
When I was almost insane  
And after everything I've done for you  
This is how you repay me?  
How can you live with yourself?  
How can you look at yourself in the mirror?  
How can you even face the day?  
Bitch!
