

# Chromeo, OVER YOUR SHOULDER

Oh the grass is greener everywhere you look  
So many girls out there I could write a book  
That one's ass is leaner  
This one's like Serena  
But I think your silhouette is meaner

And even though you've got small breasts  
But to me they look the best  
I confess  
I wanna go home and get you undressed

See your problems of self-esteem  
Could be self-fulfilling prophecies  
So probably your best policy is to talk to me

Stop looking over your shoulder  
Cause if it was up to me I would make you feel right

Oh the grass is greener everywhere you look  
So many people stare they got you scared of the girls out there  
This one's cola-bottle size  
And that one's more of a model size  
I know you heard this a hundred times  
To me what matters is what's inside  
And a little backside too  
Is that bad, is that taboo?  
Can I get a bird's eye view?

You see, your problems of self-esteem  
Could be self-fulfilling prophecies  
So arguably your best policy should be talking to me  
Talking to me

Stop looking over your shoulder  
Cause if it was up to me I would make you feel right

So next time that you're feeling down  
Turn your frown into a crown  
Put yourself in an evening gown  
And I'll roll around  
Rip it off  
Break you off  
JetBlue Airways taking off  
Couple of days where the sand is soft  
Oh, aren't you glad you took the weekend off?

Cause it's those little imperfections that make beauty in my eyes  
I wanna be in the intersection of your thighs  
And you worry about your size  
It's nonsense  
It's not a contest  
And besides  
If it was a contest, you'd win it  
I wanna take a bath with you in it  
Bathroom sex, you with it  
I did it, I'm lying  
I'll do it with you if you wanna try  
I've seen you cracking a smile  
Guess I have to stay for a while

Stop looking over your shoulder  
Cause if it was up to me I would make you feel right

Over your shoulder  
Love is what you're searching for  
Over your shoulder  
You don't have to look anymore
