

Chubby Checker, The Hucklebuck

(Alfred and Gibson)

Ah here's the dance you should know
Ah, baby when the lights are down low
I say, grab your baby then go

Do the hucklebuck (yeah)
Do the hucklebuck (yeah)

If you don't know how to do it
Man you're out of luck
Push ya baby out (yeah)
Then you hunch her back (yeah)
Start a little movement in your sacroiliac
Wiggle like a snake, wobble like a duck
That's what you do when you do the Hucklebuck

Oh
[Instrumental Interlude]
Workout

Here's a dance you should know
Ah, baby when the lights are down low
Oh, won't you grab your baby then go

A little bit of twist (yeah)
A little bit of this (yeah)
And if you don't know how to do it
Ask my little sis
Push your partners out (yeah)
And then you hunch her back (yeah)
Start a little movement in your sacroiliac
Wiggle like a snake, wobble like a duck
That's what you do when you do the Hucklebuck

Ho
[Instrumental Interlude]

A little bit of twist (yeah)
A little bit of this (yeah)
And if you don't know how to do it
Ask my little sis
Push your partners out (yeah)
And then you hunch her back (yeah)
Start a little movement in your sacroiliac
Wiggle like a snake, wobble like a duck
That's what you do when you do the Hucklebuck
I said, here's a dance you should know
Whoa, whoa, whoa, when when the lights are down low
