

# Chuck Berry, Don't You Lie To Me

Let's talk it over baby before we start  
You know I heard about the way that you do your part  
Don't lie to me - don't you lie to me  
'Cos it makes me mad and I get shook up as a man can be

You know there's two kinds of people that I just can't stand  
That's a lying woman and a cheating man  
Don't lie to me - don't you lie to me  
'Cos it makes me mad I get shook up as a man can be  
Yeah

Well I can love you baby till the cows come home  
But I'm so sick & tired of you treating me wrong  
Don't lie to me - don't you lie to me  
'Cos it makes me mad and I get evil as a man can be

Well if you love me baby and it ain't no lie  
I'll be with you baby till the well runs dry  
Don't lie to me - don't you lie to me  
'Cos it makes me mad and I get shook up as a man can be
