

Chuck Berry, Fish And Chips

Fish and Chips
A little coke and you, oh, babe
Honey drips
Two more to go, oh, babe
Let's go on back
The trip will be groovy, oh, babe
Jump in the sack
Flip your mood, oh, babe
Come to me
I really do love you, oh, babe
Honey, honey
Honey dripper too, oh, babe
Loved you before
I loved you a long, long time, my love
Loving you more
Then I got to have more of
Fish and chips
