

Chuck Berry, Go Bobby Soxer

Bobby band a-rockin'
And the bobby soxer's doing the twist
It's a bobby soxer beat
And you can rock it any way you wish
Work out, bobby soxer, you can
Wiggle like a whimsical fish
Go, go, bobby soxer
Go, go, bobby soxer
Go, go, bobby soxer
Go, go, bobby soxer
When the weekend comes
You'll be right back rockin' some more
Bobby soxer dancin'
But she keeps peepin' on the stand
Bobby soxer's got a crush
On a beetle in the bobby band
Love bug sure gonna bite her
If the beetle even wave his hand
Twist on, bobby soxer
But don't forget the bobby rule
It's getting late, bobby soxer
And the teacher teachin' you in school
And tomorrow morning, bobby soxer
You'll be back in school
