

# Chuck Berry, How You've Changed

Ge, you've changed since the day you told me your name  
Yes, you've changed, your kisses don't feel the same  
How, you've changed, our romance to play from dance  
First you told me that you loved me and I believed

Then you sold me with the vow that you'd never leave  
Now you scold me, caring not how my heart grieves

Hmm, how I've loved you, since the day you told me your name  
Yes, I loved you, thinking you all the wild that'll upsane  
And I'll still love you, even knowin' I know you've changed.
