

# Chumbawamba, Bad Dog

Goodbye to the summer  
Sold down the river  
Unhappy ever after  
Well did you ever?  
Did you ever reach for the glued-down penny?  
Same old joke and it's not funny  
Burns are red bruises blue  
Out with the old cheated by the new  
Do you suffer from a long term memory loss?  
I don't remember (2x)  
You sing the same old verse  
Stick like glue for better or worse  
What goes aruond comes around  
Again and again  
This heart pulled apart  
Hydra fighting head to head  
Burns are red bruises blue  
Out with the old cheated by the new  
Do you suffer from a long term memory loss?  
I don't remember (2x)  
Amnesia  
Do you suffer from a long term memory loss?  
I don't remember...
