

# CHVRCHES, Clearest Blue (piosenka z serialu H

Light...  
Is all over us  
Like it always was  
Like it always was  
Shaped...  
By the clearest blue  
But it's not enough  
It's not enough, not enough  
Just another time I'm caught inside every open eye  
Holding on tightly to the sides, never quite learning why  
You'll meet me, you'll meet me  
You'll meet me halfway  
Whenever I feel it coming on, you can be well aware  
If ever I try to push away, you can just keep me there  
So please, say you'll meet me  
Meet me halfway  
Tied...  
To the shifting ground  
Like I always was  
Like I always was  
You...  
Were the perfect storm  
But it's not enough  
It's not enough, not enough, not enough  
Just another time that I go down, but you are keeping up  
Holding to a hope you'll undermine, never to be reversed  
Just another time I'm caught inside every open eye  
Holding on tightly to the sides, never quite learning why  
Whenever I feel it coming on, you can be well aware  
If ever I try to push away, you can just keep me, tell me  
Tell me, tell me you'll meet me  
Tell me, tell me you'll keep me  
Tell me, tell me you'll meet me  
Will you meet me more than halfway up?
