

CHVRCHES, Never Say Die

wasn't it gonna be fun and wasn't it gonna be new?
wasn't it gonna be different ans wasn't gonna be true?
didn't you say that? /4x
Weren't you gonna be sorry and weren't you gonna be pure?
Weren't you gonna be honest and Weren't you gonna be more?
didn't you say that? /4x

all you want is to play out
playing gone
but I'm falling in
I'm falling out
all you need is play out
playing gone
but I'm falling in
I'm falling out

Never /3x
Ever, never
Ever .2x
say die
didn't you say that? /2x

Weren't you trying forgiveness and Weren't you trying to stay?
Weren't you trying to look up and
Weren't you trying to pray?
didn't you say that? /4x

playing gone
but I'm falling in
