

# CHVRCHES, Somebody Else (The 1975 cover)

So i heard you found somebody else  
and at first, I thought it was a lie  
I took all my thongs that make sound  
the rest I can do without

I don't want your body  
but I hate to think about you with somebody else  
our love has gone cold  
you're intertwining your soul with somebody else

I;m looking through you  
while you're looking through your phone  
and yhen leaving with somebody else  
no. I don't want your body  
but I'm picturing your body with somebody else

I don't want your body  
I don't want your body  
I don't want your body  
I don't want your body  
I don't want your body  
I don't want your body  
I don't want your body  
I don't want your body

c'mon baby  
this ain't the last time that I'll see your face  
c'mon baby  
you said you'd find somebody to take my place

I just don't believe that you have got it in you  
cause we are just gonna keep 'doin' it' and every time  
I start to believe in anything you're saying  
I;m reminded that I should be getting' over you

I don't want your body  
but I hate to think about you with somebody else  
our love has gone cold  
you're intertwining your soul with somebody else

I;m looking through you  
while you're looking through your phone  
and yhen leaving with somebody else  
no. I don't want your body  
but I'm picturing your body with somebody else

I don't want your body  
I don't want your body  
I don't want your body  
I don't want your body  
I don't want your body  
I don't want your body  
I don't want your body  
I don't want your body

get someone you love  
get someone you need  
fuck that, get money  
I can't give you my soul  
cause we're never aloee
