

Ciara, All I Wanna Do

Chorus:x2

All i wanna do is
get next to you
take you home so we can play
rock ya body all night and day

Verse 1:ciara

i wanna let u know im really feelin you
and you know what i wanna do with you
take you home make you be my boo
we could go out clubbin too
so i can dance up all over you
show you what i can really do
then i kno youll be feelin me to

Chorus:x2

All i wanna do is
get next to you
take you home so we can play
rock ya body all night and day

verse 2:ciara

i said i wanna rock ya body
night and day
then im gonna take you home
and im gonna say
tell me if you wanna play
i know it makes me seem easy
but im just doin it to hear you say
that you really enjoyed me today
and you wanna tell me
that we can be
just more than friends today

chorus:x2

all i wanna do is
get next to you
take ya home so we can play
rock your body all night and day
