

Ciara and Alicia Keys, Promise You'll Never See

Now listen, I've been single for awhile now
And I been kinda lonely
I've been looking for somebody to talk to, love me
Someone who can hold me
Is that you?
I'm looking for somebody I can call "boo"
Looking for the only one that I can give my all to
Tell me if it's you, you, you
What you wanna do, do, do
Make ya move
You can be my teacher I'll do homework
You can give me extra credit baby I'll do more work
What you wanna do, do, do
Now it's me and you, you, you
Move
This move so right, how it feels so right
You can be my prince my knight
You can be my superman save me here I am
'Cause baby, there's nothing I wont do, to spend my life with you
I'll give my love to you, I promise, that I will never lie to you boy
Theres nothing I wont do, to spend my life with you
I'll give my heart to you, I promise, that I will never lie to you boy
You and me together, picture perfect
I'll spend all my money all the time becuz your worth it
It's just me and you you you
What you wanna do, do, do
Make a movee
Call me momma, spoil you like a baby
Thinking 'bout you, dreaming bout you got me going crazy
What you wanna do, do, do
Now it's me and you, you, you
Move it
Thie move so right, how it feels so right
You can be my prince my knight
You can be my superman save me here I am
Baby
Theres nothing I won't do (No, no), to spend my life with you
I'll give my love to you (I'll give my all)
I promise, that I will never lie to you boy
Theres nothing I won't do (Nothing I won't do), to spend my life with you
I'll give my heart to you (I'll give), I promise,
That I will never lie to you boy
Ohhhh
I mean everything that I say
From the bottom of my heart
I will never, never, ever, hurt you
I'll open my heart
I'll open my heart and give it to you
Tell the whole world that I'm in love with you
Whatever you want, baby I'll do
I know I don't want nobody else but you
Theres nothing I won't do (There's nothing I wont do baby)
To spend my life with you (To spend my life with you)
I'll give my heart to you, I promise,
That I will never lie to you boy, ohh
