

Ciara, And I

[verse 1]

I dont need me a basketball player
All I need is somebody thats down for me
And he dont have to have money
His love is just like honey
Its so sweet to me
He can have everything in this world
But he'll sacrafice it all for me
And I made up my mind
Im in love this time
And it feels so real

[Chorus]

And I
Know that he wont break my heart
And I
Know that we wont ever part
Its time, time for us to settle down
And I
Wanna be with him forever
