

Ciara, Body Party

My body is your party, baby
Nobody's invited but you, baby
I can do it slow now, tell me what you want
Baby put your phone down, you should turn it off
'Cause tonight it's goin' down, tell your boys it's goin' down
We in the zone now, don't stop

You can keep your hands on me
Touch me right there, rock my body
I can't keep my hands off you
Your body is my party
I'm doin' this little dance for you
You got me so excited
Now it's just me on you
Your body's my party, let's get it started
Boy you should know that your love is always on my mind
I'm not gonna fight it, I want it all the time
Boy you should know that your love is always on my mind
And I can't deny it, I want you, I want you

I can't lie, I won't lie, it's amazin'
My faces, the places you're taking me
Baby, take your time now, there's no need to rush
We can go another round, if that's what you want
'Cause tonight it's goin' down, tell your boys it's goin' down
We in the zone now, don't stop

You can keep your hands on me
Touch me right there, rock my body
I can't keep my hands off you
Your body is my party
I'm doin' this little dance for you
You got me so excited
Now it's just me on you
Your body's my party, let's get it started
Boy you should know that your love is always on my mind
I'm not gonna fight it, I want it all the time
Boy you should know that your love is always on my mind
And I can't deny it, I want you, I want you

The things I wanna do to you
My body's calling you
I'm havin' so much fun with you
Now it's just me on you
Your body's my body, let's get it started
